AUTHORHOUSE, United States, 2006. Paperback. Book Condition: New. 229 x 152 mm. Language: English Brand New Book ***** Print on Demand *****.We are all conscious of the importance exercise plays in keeping a young woman healthy. Doctors remind us of this and television exposes us to its importance. Physical exercise and sports are an integral part of the school curriculum. A healthy body means all her parts are functioning smoothly. It can ward off disease, she has a genuine sense of well being, and is, happy to be alive. However, we must also make her aware that she is made up of more than just a body. There are spiritual parts to her as well. There is the intellect where thoughts, ideas, ideals and ambitions originate. There is that part of her spiritual being that has contact with divinity. It is called the soul. They are exercises to be studied and reflected upon, until they become part of the girl s psyche. I hope to approach the supernatural through her eyes, and with her comprehension. I hope to introduce her to concepts she has never quite understood before. My desire is to help her taste and see how sweet is the goodness of the Lord. I wish to help a young woman get through the pitfalls of adolescence so that she will arrive at adulthood armed with the weapons she received at Confirmation; to...
