Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

WHITE WIDOW (PAPERBACK)

The Perseus Books Group, United States, 2000. Paperback. Book Condition: New. 208 x 137 mm. Language: English . Brand New Book ***** Print on Demand *****.Praised by the New York Times Book Review as an affecting morality tale, Jim Lehrer's devastating *White Widow* brings the reader to the brink of one man's unstoppable, ruinous passion for a complete stranger. Jack T. Oliver has a solid marriage, a cozy house in Corpus Christi, and a job he loves as a driver for the Great Western Trailways bus line. In a few weeks, Jack is going to be promoted to Master Operator in recognition of his years of perfect service and on-time driving. It's a good life. Until a *White Widow* boards his bus, on a one-way ticket from Victoria to Corpus Christi. A *White Widow* is a wild card, a woman traveling alone who can change the course of a driver's life, and not always for the best. What happens when Jack Oliver's *White Widow* passes through his life is as unforgettable as it is irrevocable. Within weeks, without ever even learning her name, he will fall passionately in love--and lose everything he has, a few things he never had, and some he never thought about until they were gone.
