Parson's Porch Apr 2015, 2015. Taschenbuch. Book Condition: Neu. 216x140x7 mm. This item is printed on demand - Print on Demand Neuware - This book is a very personal account of a 17 year grace-filled journey that details Tracy's individual introductions to each person of the Trinity. Her walk began by learning to see God as a loving father, then meeting Holy Spirit and years later, experiencing a revelatory encounter that forever changed and galvanized her relationship with the Son. Her journey toward Jesus has been punctuated with significant life events and change; marital separation, then divorce from an addicted spouse, a career move from successful business owner to ministry staffer, and a transition from a large, metropolitan Southern city to a tornado torn Alabama college town. Tracy's desire is to show how a gracious and loving Father led through a series of wide open doors and supernatural seasons in which she badly needed things to happen that only He could do. Following several seasons of traumatic trial and testing, she was placed by Him on a path to healing, hope and restoration. He did it for her and He will do it for you. You can be free of fear; learning to lean with confidence on your best friend and own internal Transformational Leader, God's Holy Spirit. 134 pp. Englisch.
