

How to Use Technology Effectively in Post-Compulsory Education (Paperback)

By Alan Clarke

Taylor Francis Ltd, United Kingdom, 2011. Paperback. Book Condition: New. New.. 244 x 172 mm. Language: English . Brand New Book. The use of technology within the lifelong learning sector brings many benefits to learners, teachers and managers. Aimed at trainee and practising teachers, this book contains clear, practical guidance on how to use technology and e-learning effectively to enhance all aspects of teaching and learning in the post-compulsory sector. Alan Clarke explains the technologies that are available and how to use them from whiteboards and virtual learning environments to digital photographs, podcasts and e-portfolios. Each chapter is fully aligned with the new LLUK standards and includes teaching strategies, practical examples and case studies to show how these work in practice. Chapters include guidance on: * using e-portfolios, blogs and wikis to present and share information with colleagues and encourage reflection * motivating students and promoting collaboration using mobile devices, discussion groups and forums * how to use ICT to develop literacy and numeracy skills * ways to keep up to date with new and emerging technologies * using technology safely and securely. Including a wide range of activities, questions for reflective practice and links to further sources of information,...

Reviews

This publication is definitely not effortless to get going on reading but very fun to learn. It really is written in simple terms rather than difficult to understand. It's been printed in an extremely simple way and it is merely right after I finished reading through this pdf by which basically changed me, alter the way in my opinion.

-- **Scotty Paucek**

This pdf is really gripping and intriguing. It typically is not going to charge excessive. It's been printed in an exceptionally easy way and it is simply right after I finished reading this ebook where basically altered me, modify the way I believe.
