

## Dragon Defense: Heirs to the Throne (Paperback)

Filesize: 4.09 MB

### ***Reviews***

*This published publication is fantastic. it had been writtern very perfectly and useful. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

*(Junius Herman)*

## DRAGON DEFENSE: HEIRS TO THE THRONE (PAPERBACK)

Createspace, United States, 2012. Paperback. Book Condition: New. Luke O Donnell (illustrator). 203 x 133 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Praise for the trilogy: In the best traditions of Anne McCaffrey's fantasy books, Heirs to the Throne trilogy walks right on the border between Epic Fantasy and Sci-Fi. On one hand, we have advanced technologies like space travel, cloning, mind transfer to artificially created hosts, to name a few. On the other, we have dragons, people with special abilities who can control minds, talk to animals, heal, or even use speed time. This book, this trilogy, actually, falls into the diamond in the rough category. With no promotional budget behind the series, it's easy to miss even something this epic. So, pick these books up and spread the word - this is a lot of reading bang for the buck. Recommended. Oleg Medvedkov, Author Book Description: When an Institute battleship threatens to destroy the planet, Donovan must wage war without modern weaponry. Before the Zebulon crew escaped from Institute-controlled space twenty years ago, Dr. Alexander deleted crucial records about Transfer from Institute files and hoped they could vanish before the Institute discovered the sabotage. He was wrong! Humiliated by the exodus of the scientists, Fremont won't rest until he extracts the ultimate revenge. Donovan must train new recruits to operate forbidden technology and bored teenagers look like perfect candidates. Is there enough time for feudal lordlings to learn space-age skills and save the planet? In the meantime desert riders target Jarrack's daughter, Shariel, who inherited his power of mind control. Afraid of becoming evil like her father, she needs to perfect the skill to help her siblings escape from a desert prison. The royal princesses face other predicaments. Lauryn travels...
