Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Children delight in finding Circle O within a box, a balloon, a star, and a crayon in this, our second book of the Limber Line, Circle O, and Oval Note, Early Developmental Literacy series. Tracing Circle O with their fingers helps them to develop small motor skills. Putting glue on at least one illustration of Circle O adds a second, tactile pathway to the brain. The first and second books together prepare for the imaginative third book, Line and Circle O Are Friends, in which Line and O explore geometry. Sometimes straight, sometimes twisty, and sometimes even disappearing, Limber Line and Circle O help make early learning engaging and fun. We hope you ll enjoy this book and look forward to the fourth one in which Line and O play a hide-and-seek, finger play game.
