

## Jatakamala: Stories of the Buddha`s Previous Births

Filesize: 6.79 MB

### ***Reviews***

*Definitely among the best book I have possibly read. I have study and i am sure that i will going to go through once more once more later on. Your lifestyle span is going to be convert when you full looking at this publication.*

*(Prof. Damon Kautzer III)*

## JATAKAMALA: STORIES OF THE BUDDHA`S PREVIOUS BIRTHS

Harper Element/HarperCollins Publishers India, 2014. Softcover. Book Condition: New. 12 x 20 cm. The Jatakamala is a famous work in both sacred Buddhist and classical Sanskrit literature. It recounts thirty-four stories of the Buddha`s previous births, and his good deeds in those earlier incarnations as a god, man or an animal. Written in elegant Sanskrit prose and verse in the fourth century A.D., these tales were later translated into Chinese and Tibetan. Several feature in the Ajanta cave paintings. Their colourful backgrounds range from a sea voyage to a battle scene, a forest fire to a royal hunt and from the charms of the harem to the horrors of hell. Popular through the ages, they remain highly readable today, both for their timeless message of compassion and concord, and the vivid, dramatic imagery with which it is presented. Twelve of these tales are not found in any other collection including the Pali Jataka texts. Arya Shura, the author of the Jatakamala, is known in tradition as a saintly teacher and an authority on prosody. In all probability he was a Buddhist monk. No details are available of his life, except that he wrote several other works, some of which are extant only in Tibetan and Chinese translations. Printed Pages: 295.
