

Creed Without Chaos (Paperback)

Filesize: 2.33 MB

Reviews

A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

CREED WITHOUT CHAOS (PAPERBACK)

Wipf Stock Publishers, United States, 2015. Paperback. Book Condition: New. Reissue. 226 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****. In this superb commentary on Sayers, Laura Simmons brilliantly helps church members and leaders of all sorts recover the task of speaking biblical truth clearly. Not only did this book inspire me immensely with Sayers's (and Simmons's) keen theological insights into such topics as how the writing process illustrates the Trinity, but it also offers great suggestions for future study of Sayers. A concise glossary of recurrent doctrinal deviations helps us avoid and combat them, and encouraging excerpts from Sayers's letters show us the kind of people we need to be to serve God in our present circumstances. This is an exceedingly timely book. --Marva J. Dawn, teaching fellow in spiritual theology, Regent College, Vancouver As the institutional church falters, lay theology becomes increasingly important, infusing dogma with new life. In twentieth-century England, the list of such lay thinkers was impressive-- Chesterton, Lewis, Eliot, and the least known of this group, Dorothy Sayers. With the publication of *Creed without Chaos*, readers now have access to the breadth of Sayers's theology, particularly as expressed in her voluminous letters. In the process, Simmons has provided an important resource for America's twenty-first-century church. --Robert K. Johnston, Professor of Theology and Culture, Fuller Theological Seminary Simmons has done us a great service in writing the first full-length, comprehensive survey of the theology of Dorothy L. Sayers. This enterprise has difficulties. Most of the devotees of Lord Peter Wimsey and many who appreciate the translations of Dante are not interested in theology, and theologians raise their eyebrows and say, Sayers? For Sayers, however, the novels, the theology, and the translations were all variations upon a...
