Belknap Press of Harvard University Press, 1998. Hardcover. Book Condition: New. Dust Jacket Condition: As New. Second Edition. This specific hardback book is in new condition with a hard board cover that has sharp edges and corners and has a tight binding. The pages are clean, crisp, unmarked and uncreased. The dust jacket is in fine condition with barely detectable wear if any. We package all books in custom cardboard book boxes for shipment and ship daily with tracking numbers.; "David Nathan was stunned when he first saw Dayem Saif at Children's Hospital in Boston in September 1968. Dayem was then a six-year-old with the stature of an average-sized boy of two. He wore baby shoes on his tiny feet and was unable to walk without holding his mother's hand. His color was dark yet pasty and his face horribly misshapen. The child was being ravaged by thalassemia, a life-threatening inherited disease of the blood, and one of the leading causes of disfigurement, disability, and death in children worldwide. Without effective treatment, Dayem would almost certainly die before his twentieth birthday. Genes, Blood, and Courage is David Nathan's absorbing story of the thirty-year struggle to keep Dayem alive. "Immortal Sword" is the English translation of Dayem's Arabic name, and under Nathan's care Dayem, indeed, seems immortal. Despite his continual reluctance to follow his doctor's orders and the repeated hospitalizations that result, Dayem--the misshapen, stunted boy--survives to become a handsome, successful businessman."; 9.27 X 6.02 X 1.03 inches; 288 pages.
