Reviews

The most effective pdf i ever read through. I am quite late in start reading this one, but better then never. Its been developed in an exceedingly simple way in fact it is only soon after i finished reading through this pdf by which in fact altered me, modify the way i think.

ARTHURDALE WV IMAGES OF AMERICA

DOWNLOAD

Arcadia Publishing. Paperback. Book Condition: New. Paperback. 128 pages. Dimensions: 9.2in. x 6.5in. x 0.5in. In August 1933, Eleanor Roosevelt visited the impoverished coal communities of north central West Virginia. Suffering from the effects of the Great Depression, these coal families looked to the First Lady for help out of the devastating economic times. Her visit spurred the creation of Arthurdale, the nations first New Deal Homestead Community. Arthurdale quickly became known as Eleanors Little Village because of the First Ladys involvement with the project. She visited the community often to dine, dance, and converse with the homesteaders and to attend high school graduations. In addition to the creation of new housing, Arthurdale featured a community business center, state-of-the-art school buildings, a craft industry, an industrial factory, and home-based agricultural production. Although not a financial triumph for the federal government, the social success of the community is immeasurable. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
