By J P Lucas

Trafford Publishing, United States, 2012. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Cottonwood, an Observation is based on the lifetime of a cottonwood tree and the things seen by him over an eighty-five-year period from 1842 until the end of WWI. He watches the development of the country around him, from pristine prairie, the time of the Buffalo and the Indian, through the settlement and development of a city nearly under his branches. Cottonwood becomes intimately involved in the lives of the main characters of the book from what he sees and hears from his point of observation above the Sweetwater River, in the developing state of Wyoming. He observes the wars of the era, the medical developments of those years, the passing of the Indian, the coming and the passing of the Pony Express. He watches as the telegraph, telephone, and the railroad come into his part of the world. He becomes intimately involved in the stories of those passing his post. He inspires introspection into our personal lives by his constant attempt to analyze the actions of human beings, their sometimes peaceful and sometimes deadly interactions with...
