Introduction to Attic Greek (Paperback)

By Donald J. Mastronarde

University of California Press, United States, 2013. Paperback. Book Condition: New. 2nd Revised edition. 249 x 175 mm. Language: English . Brand New Book. Thoroughly revised and expanded, Introduction to Attic Greek, 2nd Edition gives student and instructors the most comprehensive and accessible presentation of ancient Greek available. The text features: full exposure to the grammar and morphology that students will encounter in actual texts; self-contained instructional chapters, with challenging, carefully tailored exercises; progressively more complex chapters to build the student's knowledge of declensions, tenses, and constructions by alternating emphasis on morphology and syntax; readings based on actual texts and include unadapted passages from Xenophon, Lysias, Plato, Aristophanes, and Thucydides; concise introduction to the history of the Greek language; composite list of verbs with principal parts, and an appendix of all paradigms; and, Greek-English and English-Greek glossaries. Additional Resources: Robust online supplements for teaching and learning available at [http://www.oup.com/9780520275744](#); and, Answer Key to exercises also available from UC Press (9780520275744).

Reviews

A top quality ebook and the typeface used was interesting to learn. This can be for all who state that there had not been a well worth reading through. I am just pleased to tell you that this is basically the very best ebook i actually have go through in my individual life and can be the finest book for at any time.
