Curiosity Quills Press, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.In 2082, androids are an essential part of daily life. Some are helpful, some would make better toasters, and some are so human-like they're creepy. Back in Atlanta, Detective Cooper's latest client has him searching for her boyfriend who she thinks was replaced by a simulation, an illegal clone android. The guy also happens to be a popular new congressman. To make matters more complicated, Cooper keeps crossing paths with his ex, FBI Agent Geri Harper, as they seem to be looking for the same guy. Cooper knows he's getting close when Geri is kidnapped, but when she resurfaces in Washington and goes on a killing spree, he knows it isn't her. Now under suspicion himself, Cooper must find the real Geri to prove her innocence, not to mention hunt down the powerful villain behind it all. Never a dull moment.
