Signet. Paperback. Book Condition: New. Mass Market Paperback. 272 pages. Dimensions: 6.6in. x 4.1in. x 0.8in. The story of Victor Frankenstein and the monstrous creature he created has held readers spellbound ever since it was published almost two centuries ago. On the surface, it is a novel of tense and steadily mounting horror; but on a more profound level, it offers searching illumination of the human condition in its portrayal of a scientist who oversteps the bounds of conscience, and of a monster brought to life in an alien world, ever more desperately attempting to escape the torture of his solitude. A novel of hallucinatory intensity, Frankenstein represents one of the most striking flowerings of the Romantic imagination. With a New Introduction by Douglas Clegg And an Afterword by Harold Bloom This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Mass Market Paperback.
