

Nail Pullers (Paperback)

By Raymond P Fredrich

AUTHORHOUSE, United States, 2005. Paperback. Book Condition: New. 274 x 208 mm. Language: English . Brand New Book ***** Print on Demand *****.This book will be enjoyed by The Antique Tool Researcher, the Flea marketer, the Tool Collector Historian, and many others. The 39 pages of Patent information is very useful for that person looking for History of Patent Dates, Patent Numbers, or the Patentee. The Nail Puller does the same job as the claw on the hammer, but it does it differently. Mainly, this is about the Slide Hammer type of Nail Puller, and many variations of it. There was a time when each nail was forged by a Blacksmith . That made the nail more valuable than the wood it had been driven into. Wood was very plentiful in the mid-19th century. My book will show you examples of Square Nail Pullers that go back to 1849. If it became necessary to change your resident location, you might possibly take your house apart, just to get the nails. You might even burn your house down and pick up nails in the ashes. Herein contained are many examples of the Slide Hammer type of Nail Puller. From the stand...
