Hyperion, United States, 1998. Paperback. Book Condition: New. 201 x 150 mm. Language: English . Brand New Book. The thinking person s comic who uses words as weapons, George Carlin shares all-new, cutting-edge opinion and observational humor in Brain Droppings. Filled with thoughts, musings, questions, lists, beliefs, curiosities, monologues, assertions, assumptions, and other verbal ordeals, Brain Droppings is infectiously funny. Carlin unleashes his opinions on People Who Should Be Phased Out (guys with creases in their jeans, people who know a lot of prayers by heart) and Seven Things I m Tired Of (geeks with Walkmans, clothing with writing on it, having to read cloud descriptions in a book). He even offers the never-before-revealed Guide to Dining Out (order unusual things: a chopped corn sandwich with diced peas and rye potato chips). From nonsense such as Eventually there will come a time when everyone is in a band to the ultimately profound It is impossible to dry one hand, you ll get a look inside Carlin s mind, and you won t be disappointed. Carlin demolishes everyday values and yet leaves you laughing out loud. You ll learn what he thinks of sports fans, how he would improve the TV networks, his suggestions for Legal Murder Once a Month, and his plan for World Peace Through Constant Dancing. Also included are two classic Carlin monologues -- A Place for My Stuff and Baseball and Football.
