Extensive guideline! Its such a great go through. It is definitely basic but surprises in the 50 % of the pdf. It is extremely difficult to leave it before concluding, once you begin to read the book.

New York University Press, United States, 2014. Hardback. Book Condition: New. New.. 231 x 157 mm. Language: English . Brand New Book. Winner of the 2014 Richard Kalish Innovative Publication Award presented by the Gerontological Society of America Young working mothers are not the only ones who are struggling to balance family life and careers. Many middle-aged American women face this dilemma as they provide routine childcare for their grandchildren while pursuing careers and trying to make ends meet. Employment among middle-aged women is at an all-time high. In the same way that women who reduce employment hours when raising their young children experience reductions in salary, savings, and public and private pensions, the mothers of those same women, as grandmothers, are rearranging hours to take care of their grandchildren, experiencing additional loss of salary and reduced old age pension accumulation. Madonna Harrington Meyer's *Grandmothers at Work*, based primarily on 48 in-depth interviews conducted in 2009-2012 with grandmothers who juggle working and minding their grandchildren, explores the strategies of, and impacts on, working grandmothers. While all of the grandmothers in Harrington Meyer's book are pleased to spend time with their grandchildren, many are readjusting work schedules, using vacation and sick leave time, gutting retirement accounts, and postponing retirement to care for grandchildren. Some simply want to do this; others do it in part because they have more security and flexibility on the job than their daughters do at their relatively new jobs. Many are sequential grandmothers, caring for one grandchild after the other as they are born, in very intensive forms of grandmothering. Some also report that they are putting off retirement out of economic necessity, in part due to the amount of financial help they are providing their grandchildren. Finally, some are also caring for their frail...
