Brand New Book ***** Print on Demand *****.The Gospel According to Griffen - is a controversial series of short stories by the Rev. Robert G. Griffen based predominantly on the four Gospel narratives in the Protestant Bible. Griffen also draws on various other traditions, some non-canonical writings, and sometimes just makes stuff up. His goal is to offer a gospel for a twenty-first century audience. Just as each of the first century Gospel writers worked with a variety of sources and exercised editorial license to present different visions of Jesus and his ministry, so has Griffen liberally applied creative license to present his own unique vision of Jesus, his teachings, and the legendary events of his life. The net effect has been to soften the impact of things said and things done. Their significance has been watered down or lost altogether, making it very difficult for modern people - Christians and non-Christians alike - to resonate with them. For most of the people about whom I write, I must extrapolate from very little real information and from contradictory traditions which may or may not have any basis in fact. I was free to pick and choose and to interpret. like the original gospel writers. We know how people are and how we find ourselves in the broad...
