Brand New Book ***** Print on Demand *****.Roadtrip Through My Mind is a poetic journey through my mind. A small picture of my mind-life as it reflects my poetic likes and dislikes. I think people of different ages would enjoy reading this book of poems. In places the scheme and sequence of this book may seem choppy. That s done to reflect the choppiness of everyday thought. My favorite poem in this book would be We Are Characters. Characters is a metaphor for the thoughts that a poet may think up. Also I feel in life that we are all characters. The poet does a job that not everyone has the patience to do. The skydiver experiences a reality separate from the more conservative sides of society. A lot of my writing influences come from the Beat Generation. Some of my favorite writers are Jack Kerouac, William S. Burroughs and Gregory Corso. I also like the style of T.S. Eliot s writings. I don t feel that poetry has to always be a restrained form. Some of the poetry in this book will be fold-ins. In that way this book can be an ode to different styles that I like. I think that aleatory in writing should be practiced more heavily. In ways I look at writing as painting. With fold-ins the writing becomes a small collage of words. Theres also new phrases and meanings that come out of the writing when different topics are mix-matched and blended. In more avant-garde writing there s a lot of artfulness that gets overlooked. Art imitates life and life doesn t always make complete and perfect sense. Therefore poetry shouldn t always be expected to make perfect sense.
