Reviews

Here is the finest ebook i have got read until now. It really is simplistic but excitement within the 50 percent in the book. Once you begin to read the book, it is extremely difficult to leave it before concluding.

GETTING STARTED WITH REACT NATIVE (PAPERBACK)

Packt Publishing Limited, United Kingdom, 2015. Paperback. Book Condition: New. 235 x 190 mm. Language: English . Brand New Book ***** Print on Demand *****. Learn to build modern native iOS and Android applications using JavaScript and the incredible power of React About This Book * Learn to design and build a fully-featured application using the newest cutting-edge framework from Facebook * Leverage your JavaScript skills to become a native app developer * Develop custom UI components, implement smooth navigation, and access native features such as geolocation and local storage Who This Book Is For This book is for web developers who want to learn to build fast, good-looking, native mobile applications using the skills they already have. If you already have some JavaScript knowledge or are using React on the web, then you will be able to quickly get up and running with React Native for iOS and Android. What You Will Learn * Set up the React Native environment on both devices and emulators * Gain an in-depth understanding of how React Native works behind the scenes * Write your own custom native UI components * Learn the ins and outs of screen navigation * Master the art of layout and styles * Work with device-exclusive data such as geolocation * Develop native modules in Objective-C and Java that interact with JavaScript * Test and deploy your application for a production-ready environment In Detail React Native is a game-changing approach to hybrid mobile development. Web developers can leverage their existing skills to write mobile applications in JavaScript that are truly native without using cross-compilation or web views. These applications have all of the advantages of those written in Objective-C or Java, combined with the rapid development cycle that JavaScript developers are accustomed to. Web developers who want to...
